**PAPAROA
• HOTEL •**

ALL DAY - DINING -

Paparoa Hotel was first established in 1956 by the bend in the river on the new State Highway.

The hotel has been owned by the Goode family since 1971.

Pam first came to Paparoa when she was eight, walked bare-foot to the local primary school and kept her horse in the back paddock.

Our menu is inspired by cuisines from around the world, is full of surprising flavours and is fresh and delicious. We use locally sourced seafood and local produce and in particular Ruawai Kumara and locally grown watercress, citrus and have our own kitchen garden for fresh herbs.

The beautiful Kaipara Harbour, just minutes away provides us with fresh Flounder, Smoked Fish and Oysters.

Enjoy!
